12 CITIZENSHIP

PAGE 33

A silhouette of a soldier in full combat gear, including a helmet and a large backpack, stands against a bright sunset. The soldier is holding a large American flag that is waving in the wind. The sun is low on the horizon, creating a strong backlight effect. The sky transitions from a deep orange near the horizon to a pale blue at the top. The soldier's figure is dark against the bright light of the sun.

OUR PURPOSE

CREATE NEW OPPORTUNITIES FOR TODAY'S YOUTH THROUGH
MENTORSHIP, MOTIVATION, AND VALUABLE RESOURCES IN ORDER
TO DEVELOP OUR FUTURE LEADERS.

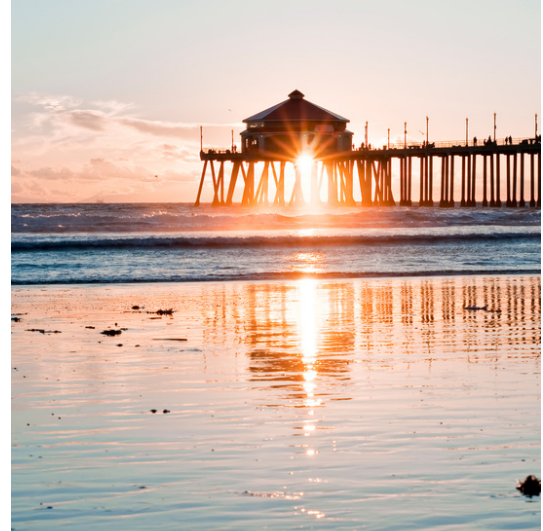

**WE COMMUNICATE THE ARMY TO OUR COMMUNITY
AND RECRUIT THE ARMY OF TOMORROW.**

OUR REACH

The battalion is comprised of seven recruiting companies and 38 stations covering San Diego, Orange, San Bernardino, Riverside, Imperial and Inyo Counties.

The battalion's area of responsibility runs from the international border with Mexico in the south to the San Bernardino Mountains in the north, including the National Training Center. The western border is the Pacific Ocean and the eastern border is California's border with Nevada and Arizona.

CAREER EXPLORATION PROGRAM

Validated Assessments: An aptitude test that evaluates individual skill strengths. The FYI (Find Your Interest) tool is an interest list that identifies work-related interest areas. These results can be used to guide your career exploration.

Post-Test Interpretation: This guided session helps illustrate how ASVAB scores and FYI results relate to career fields and provides options for finding career paths using OCCU-Find.

Career Planning Tools: Explore career plans with the outputs of their career exploration.

March2Success: This website offers free online study materials to help students improve their scores on standardized tests. It includes self-paced study programs in Math, English, and Science, as well as valuable resources to help with college applications such as admissions, financial aid, and scholarship guides.

March2Success

PARTNERSHIP FOR YOUR SUCCESS (PaYS)

PaYS

PaYS (Partnership for Your Success): A strategic partnership between the U.S. Army and a cross section of corporations, companies, and public sector agencies. This program guarantees Soldiers an interview and possible employment after the Army with partner businesses/organizations.

SCIENCE & MEDICAL
CAREERS

ANIMAL CARE SPECIALIST (68T)

Provide medical treatment for government-owned animals & Soldiers' pets.

BEHAVIORAL HEALTH SPECIALIST (68X)

Assist with mental health care for service members.

BIOMEDICAL EQUIPMENT SPECIALIST (68A)

Service & maintain specialty medical equipment.

COMBAT MEDIC SPECIALIST (68W)

Administer medical care in combat, humanitarian, & routine situations.

DENTAL SPECIALIST (68E)

Assist Army dentists with examination & treatment of Soldiers' oral hygiene.

EYE SPECIALIST (68Y)

Conduct diagnostic vision tests & help care for patients with vision problems.

MEDICAL LABORATORY SPECIALIST (68K)

Collect samples from patients & perform chemical & biological tests.

NUTRITION CARE SPECIALIST (68M)

Provide healthy diet & medical nutrition therapy for Soldiers & their families.

OCCUPATIONAL THERAPY SPECIALIST (68L)

Assist patients in performing daily life tasks after an illness or injury.

OPERATING ROOM SPECIALIST (68D)

Provide assistance to doctors during surgical procedures.

OPTICAL LABORATORY SPECIALIST (68H)

Prepare prescription lenses & frames for Soldiers.

ORTHOPEDIC SPECIALIST (68B)

Help prep patients for surgery & assist orthopedic surgeons in the operating room.

PATIENT ADMINISTRATION SPECIALIST (68G)

Perform administrative duties for patients & manage medical records.

PETROLEUM LABORATORY SPECIALIST (92L)

Supervise & conduct laboratory tests on petroleum, oil, & lubricant products.

PHARMACY SPECIALIST (68Q)

Prepare & issue prescribed medicine & maintain pharmacy supplies.

PHYSICAL THERAPY SPECIALIST (68F)

Provide patient care and administer physical therapy treatments that will treat disabilities and prevent future injuries.

PRACTICAL NURSING SPECIALIST (68C)

Perform preventive & emergency nursing care for Soldiers & their families.

PREVENTIVE MEDICINE SPECIALIST (68S)

Conduct laboratory tests to monitor the spread of bacteria for potential risks.

RADIOLOGY SPECIALIST (68P)

Operate X-rays & other medical imaging equipment to diagnose & treat injuries.

RESPIRATORY SPECIALIST (68V)

Help patients with chronic or sudden breathing problems.

SPECIAL FORCES MEDICAL SERGEANT (18D)

Become a Green Beret with a primary training emphasis in first response & trauma medicine.

VETERINARY FOOD INSPECTION SPECIALIST (68R)

Oversee food safety, quality assurance, inspection & combined veterinary service activities.

WATER TREATMENT SPECIALIST (92W)

Install water purification equipment & ensure clean water is stored & available.

MECHANICS & ENGINEERING CAREER PATHWAY

ALL ENLISTED
MECHANIC &
ENGINEERING
CAREERS

ALLIED TRADE SPECIALIST (91E)

Operate lathes, drilling presses, grinders, welding machines, & other machine shop equipment.

ARTILLERY MECHANIC (91P)

Perform maintenance & recovery operations on all field artillery cannon weapon systems.

AUTOMATIC TEST SYSTEMS OPERATOR/MAINTAINER (94Y)

Electronic maintenance & service machines to ensure they are programmed & operate accurately.

BRADLEY FIGHTING VEHICLE SYSTEM MAINTAINER (91M)

Perform repairs & maintenance exclusively on the range of Bradley Fighting Vehicles.

BRIDGE CREWMEMBER (12C)

Construct bridges & rafts to help Soldiers cross multiple terrain features.

CARPENTRY & MASONRY SPECIALIST (12W)

Build important structures for the Army using the necessary skills & equipment.

COMBAT ENGINEER (12B)

Construct bridges, clear barriers with explosives, & construct fighting & defense positions.

CONSTRUCTION EQUIPMENT REPAIRER (91L)

Repair trucks, bulldozers, & other heavy equipment that is needed for construction.

DIVER (12D)

Conduct underwater reconnaissance, demolition, & salvage.

FIRE CONTROL REPAIRER (91G)

Perform maintenance & repairs on combat vehicles, infantry, & artillery fire control systems.

GEOSPATIAL ENGINEER (12Y)

Extract & analyze geographic data from satellite imagery, photography, & field reconnaissance.

HORIZONTAL CONSTRUCTION ENGINEER (12N)

Operate heavy construction equipment to help with complex projects.

INTERIOR ELECTRICIAN (12R)

Install, maintain, & safely distribute electricity on interior electrical systems.

LAND COMBAT ELECTRONIC MISSILE SYSTEM REPAIRER (94A)

Use advanced electronic skills to perform maintenance on a variety of missile systems.

M1 ABRAMS TANK SYSTEM MAINTAINER (91A)

Perform various maintenance requirements on the Abrams tanks to keep them operational.

MULTIPLE LAUNCH ROCKET SYSTEM (MLRS) REPAIRER (94P)

Perform maintenance on various rocket systems.

PATRIOT SYSTEM REPAIRER (94S)

Perform maintenance on one of the world's most advanced missile systems.

PLUMBER (12K)

Install, repair, & make construction plans for new pipe systems & insulation.

PRIME POWER PRODUCTION SPECIALIST (12P)

Install & inspect electrical power generators & analyze power plant equipment & systems.

POWER LINE DISTRIBUTION SPECIALIST (12Q)

Build, install, & maintain electrical distribution systems that supply power for operations.

QUARTERMASTER AND CHEMICAL EQUIPMENT REPAIRER (91J)

Perform repairs on chemical equipment, quartermaster machinery, forced-air heaters, & special-purpose equipment.

SHORT RANGE AIR DEFENSE SYSTEM REPAIRER (94T)

Supervise & perform maintenance & repair on the Army's sophisticated short-range air defense weapons systems.

SMALL ARMS / ARTILLERY REPAIRER (91F)

Perform maintenance & repairs on a wide array of weapons to ensure they are operating properly.

SPECIAL FORCES ENGINEER SERGEANT (18C)

Become a Green Beret with a primary training emphasis in construction & demolition.

STRYKER SYSTEMS MAINTAINER (91S)

Maintain the Stryker vehicles & keep the vehicles & operating systems operational.

TACTICAL POWER GENERATION SPECIALIST (91D)

Perform maintenance & repairs on power generation equipment.

TECHNICAL ENGINEER (12T)

Supervise & execute construction site development with technical investigation, surveys, drafts, & construction plans.

TEST MEASUREMENT AND DIAGNOSTIC EQUIPMENT MAINTENANCE SUPPORT SPECIALIST (94H)

Calibrate & repair important diagnostic & test equipment

TRACK VEHICLE REPAIRER (91H)

Perform maintenance on tracked vehicles & supervise activities with fuel & electrical system repair & maintenance.

WATERCRAFT ENGINEER (88L)

Perform maintenance on Army watercraft & auxiliary equipment on marine vessels to keep them operational.

WHEELED VEHICLE MECHANIC (91B)

Perform maintenance and recovery operations on wheeled & armored vehicles.

UTILITIES EQUIPMENT REPAIRER (91C)

Perform maintenance on vital utilities equipment & support systems, such as air conditioners & refrigeration units.

MILITARY & CIVILIAN COMPARISON

Military

Civilian

	Military	Civilian
Pay 	Earn bi weekly basic and special pay that is comparable with civilian pay.	Sometimes higher than military pay but often without housing and other stipends provided for.
Healthcare 	TRICARE offers a range of full coverage medical and dental plans, as well as prescription drug coverage at a very low cost.	Varies by employer, commonly must pay all or partial payments through co-pays.
Housing 	The Army provides with you on base housing. For Soldiers who live off base, the Army provides a basic allowance for housing which is tax free.	You cover all costs.
Insurance 	\$500,000 of comprehensive life insurance for Soldiers and \$100,000 for spouses, both for a very low monthly fee.	Various insurance plans, some being cheap but non comprehensive while others are comprehensive but expensive.
Education 	In service Tuition Assistance with college courses taught on base or remotely. G.I. Bill for Soldiers who leave the service.	You pay for the full cost, typically through loans.
Travel 	Opportunities to travel to various locations during your time in service. "Space A" travel and discounted travel opportunities.	You pay for it.
Paid Time Off 	Earn 30 days of vacation per year (2.5 days per month) + Federal holidays.	10 - 14 vacation days per year. Can increase but after several years of working for the company
Work hours 	Most of the time its similar to civilian jobs. Occasionally work weekends.	Typical full time jobs will require at least 40 hours per week.
Opportunities for advancement 	Professional development is emphasized from the very first day you put the uniform on. You are in control if you want to advance or not	Varies on company size. Small companies would have less oppotunities. Big companies have opportunities but will require longer work hours.
Retirement 	Eligible to retire after 20 years of active duty/Reserve service.	Employer retirement plans vary. Generally you would need to work over 20+ years to earn a retirement plan.
Morale, Welfare and Recreation (MWR) 	Generously discounted support and leisure services designed to enhance the lives of Soldiers & their families.	Typically pay full price for support and leisure services.

ARMY RESERVES: PART TIME SERVICE FULL TIME SUCCESS
